CHILDREN WELFARE CENTRE TRUST

Quality education provides students the knowledge, skills, and confidence to reach their full potential.

Children who are blessed with education of the highest quality qualify as better human beings and ensure that the message of universal citizenship remains strong. A few committed persons pledged their efforts and wisdom to set up Children Welfare Centre Trust with this very intention. The institution offers advanced education programs within the ever expanding geographical and cosmopolitan extent of the city. Registered under the Public Trust Act, 1950 it caters to the holistic development of every student and strives to ensure that the objectives of education percolate into every strata of society.

Children Welfare Centre, currently in its 40th year of existence, continues its sustained mission by making laudable inroads in the arena of education.

The progress and success of its students and alumni is testimony to the tremendous efforts of the founder members and teachers in preparing them for lifelong learning with a positive approach. The relationship forged with the parents and the society at large remains the edifice for the progress made by the institution over the years.

Located in the bustling suburban locality of Andheri, Children Welfare Centre is well connected with the rest of the city. The institution is well fenced and provides a safe and tranquil ambience which is most conducive for the purpose of learning. It has a fully functional Pre-Primary school which uses a progressive educational model. The children have access to a definite path for academic progression from the primary and secondary school to the junior and degree college. The Centre admits students who wish to pursue graduation in streams such as Commerce, Management, Mass Media, Accounting and Finance. Recognizing the need for training prospective teachers to impart quality education, the Trust set up the Teacher's Training Centre under the B.Ed. program in Andheri, West in 2009. It has also set up the College of Law at Malad (West) in the same year.

The institution boasts of infrastructure to suit contemporary teaching and learning needs. Well equipped with an inhouse science laboratory, the Centre also has computer labs, audio visual room, library, as well as recreational facilities. The concern of the management to provide the best facilities is evident from the clean and hygienically maintained rest rooms and canteen. More than 250 trained and proficient teachers contribute immensely to academic and personal development of students through mentoring and coaching. Each of them is equally responsible for building the values of honesty, respect and diligence in the students.

Children Welfare Centre has a proven track record that leads the present objectives towards better opportunities and prospects.

It has been aptly rewarded for its performance. It was named the Best School in K-West Ward by the Education Department of Municipal Corporation of Greater Mumbai in the past. Mr. Ajay Kaul, the Honorary Principal of the institution, was the recipient of the State Award for the Best Teacher in the year 2002-2003.

Children Welfare Centre is an ideal platform for the awe-inspiring force of more than 4000 registered students to spread their wings. With experience and better resources at hand, the institution has secured permission to start the M.Com course at Clara's College of Commerce, Versova, Andheri (West). The Management is also elated in stating that permission has been granted by the Govt. of Maharashtra to start Jr. College in Arts and Commerce streams at Malad (West) and also a school affiliated to CBSE Board has commenced in the same institution. The moment of pride for the Trust is the commencement of an IB School at off. Yari Road, Versova.
